Listening Texts

Model 1

Volunteering is a great way to help others. When you volunteer, you give your time to help people who need it. You can help a neighbor or work at a food bank. Volunteering makes you feel good because you're doing something kind. Helping others makes the community stronger and happier.

Model 2

Ali and his family love to go on adventures. Last summer, they went on a trip by raft down the river. It was an exciting experience. They saw many beautiful animals and plants along the way. Ali's favorite part was when they stopped to take photos. He feels excited about the trip and plans to visit other places in the future.

Model 3

I recently went on a staycation because it was easier to plan. I spent time exploring the local parks and even went on a walking tour. The city is close to the sea, so I also visited a few water parks. It was a fun and relaxing break, and I didn't have to travel a long way from home. It was nice to have a vacation without going too far.

Model 4

Social media can be fun, but we should use it carefully. Without privacy settings, it can be unsafe. Getting all your news from social media may give you wrong information. Spending too much time online can be bad for your health. Always keep your personal details safe and balance online and offline time.

Model 5

Being active is important for staying healthy. Regular exercise helps you stay strong and feel good. You should find something you like to do, like walking, swimming, or playing sports. Don't forget to stretch before and after you exercise. Eating healthy foods like fruits, vegetables, and proteins will give you more energy. Being active not only helps your body but also makes you feel happier.
